

Mississippi Department of Public Safety
Notice Proposed Sole Source Purchase
Sole source # 3150003884

The Mississippi Department of Public Safety (MDPS) is seeking to purchase service to maintain the Intelligent Imaging Systems Smart Roadside sites that are being transferred from MS Department of Transportation (MDOT).

1. Description of the commodity or commodities MDPS is seeking to procure:

Make & Model: Intelligent Imaging Systems (IIS) Hardware, Software, and Commodities

Description: This is to purchase hardware and software break-fix maintenance, user support and application upgrades for the smart roadside remote monitoring system for monitoring commercial motor vehicle traffic.

Technology Site
SRIS Enterprise Center Service (Jackson, MS)
Orange Grove – SRIS and ATIS POE
Vicksburg – 2 SRIS Virtual
Mobile – SRIS Van
Kewanee SRIS and ATIS POE WB
Kewanee ALPR POE EB
Liberty – 2 SRIS POE
Clarksdale – 2 SRIS Virtual
Indianola – 4 SRIS Virtual
Fulton – ATIS POE
Osyka – Manual TIS
NASA – SRIS and ATIS POE
I-55 Tate/Panola Virtual Weigh Station sites (interfaced to State WIM) Off of warranty January 2021
Additional SRIS Virtual Sites each
Additional SRIS POE Sites each
Additional ATIS Sites each

2. Explanation of why the commodity is the only one that can meet the needs of the Agency:

The Smart Roadside system was implemented several years ago and continues to be operational. The central site application, the remote side hardware and software are proprietary to Intelligent Imaging Systems.

3. Explanation of why the source is the only person or entity that can provide the required commodity:

The Smart Roadside application system was developed by Intelligent Imaging Systems. Maintenance is provided only by Intelligent Imaging Systems. Third parties are not allowed to fix or maintain the application.

4. Explanation of why the amount to be expended for the commodity is reasonable:

The rates are those that were negotiated by MDOT and the Transportation Commission. The rates do appear to be in the range of other on-premises system maintenance contracts.

Technology Site	Annual (12 month)
SRIS Enterprise Center Service (Jackson, MS)	\$22,500
Orange Grove – SRIS and ATIS POE	\$49,500

Additional SRIS POE Sites each	\$29,000/year
Additional ATIS Sites each	\$25,000/year
Purchase of Annual SMS Plan	\$449,250

5. Efforts the Agency went through to obtain the best possible price for the commodity:

The cost was negotiated by MDOT and the Transportation Commission. Intelligent Imaging Systems has agreed to offer the same pricing that was provided to MDOT. Preferred customer discounting has been applied to the prices for Additional SRIS Virtual, POE or ATIS sites and systems.

All options to obtain the best possible price for the commodities have been taken.

Any person or entity that objects and proposes that the commodity listed is not sole source and can be provided by another person or entity should submit a written notice to:

Betsy Toles or Sonya Toaster
Procurement Department
4th Floor, Room 402
1900 East Woodrow Wilson Avenue
Jackson, MS 39216

The notice should contain a detailed explanation of why the commodity is not sole source procurement, as well as, but not limited to the following information:

Interested Party Information

- Contact Name, Phone Number, and email address
- Company Website URL, if applicable

Objection to Sole Source Justification

- Interested parties must present specific objections to the Sole Source certification, including, but not limited to the following:
 - a) A description of the commodity or commodities that Interested Party believes is comparable to the Intelligent Imaging Systems Hardware, Software and Commodities.
 - b) An explanation of why Interested Party's commodity or commodities can also meet the needs of the agency; and
 - c) A list of sources from which Interested Party's commodity may be procured.
- If Interested Party claims that the hardware/software and commodities are available from a source other than Intelligent Imaging Systems, the objection must contain a written statement from Intelligent Imaging Systems that the Interested Party is an authorized distributor or reseller of the Intelligent Imaging Systems Hardware/Software and Commodities.

This information should be provided no later than Tuesday, November 2, 2021, at 5:00 pm local time. Response may be delivered by hand, via regular mail or overnight delivery.

If after a review of the submitted notice and documents, MDPS determines that the commodity in the proposed sole-source request can be provided by another person or entity, then MDPS will withdraw the sole source request publication from the procurement portal website and submit the procurement of the commodity or commodities to an advertised competitive bid process.

If MDPS determines after the review that there is only one (1) source for the required commodity or commodities, then MDPS will appeal to the Public Procurement Review Board. MDPS will

have the burden of proving that the commodity or commodities is only provided by one (1) source.
