SPACE (SQUARE FOOTAGE) REQUIREMENTS

The Proposer should ensure that all space requirements, as outlined in these Specifications, are met. The State of Mississippi will allow variances in square footage to a reasonable extent. For instance, if the specifications require one 150-square foot office and the Proposer has an existing office of 140 square feet, the State will allow the deviation in this instance, because the cost of relocating walls and lines for an additional 10 square feet would be cost-prohibitive. However, Proposers should ensure that space measurements are as close to the requirements spaces listed herein as much as possible. All private offices should be hard walled.

This proposal provides the total number of Net Usable Square Feet as required by the Agency. For the purposes of this RFP, Net Usable Square Feet shall *exclude*:

- Corridors
- Bathrooms
- Stairwells
- Elevator shafts
- Shafts and Ducts
- Janitorial, Electrical, or Mechanical Closets
- Areas for A/C and Heating Systems

As such, the Proposer should ensure that the property has operation and maintenance schedules in place for all items related to the building and equipment as appropriate. If awarded a Lease Agreement, the Proposer may be required to provide copies of any operations and maintenance schedules and contracts in place. Below are some schedule items that must be met:

- **ADA Compliance:** Proposer is to ensure that the building is ADA compliant in all aspects. Carpet tile is preferred, but Broadloom is acceptable. Should Broadloom be used, replacement of any carpet shall be performed after working hours, and Lessor will be responsible for moving all furniture and equipment, and then moving furniture and equipment back in the appropriate space once carpeting is complete. Damage caused to furniture and/or equipment caused by relocation shall be the responsibility of the Lessor.

All carpet shall be replaced every five (5) years or sooner.

- **Paint and Wall Coverings:** All walls must be painted or papered, as appropriate, every four (4) years or sooner. If walls have not been painted or papered within four (4) years prior to the start date of the Lease Agreement, Lessor shall paint and/or paper walls prior to occupancy. No charge will be allowed for this in addition to the rent.

Lessor will ensure that, in as much as reasonably possible, all scheduled maintenance to the building and building systems will be performed on weekends or outside of normal business hours.
- **Parking:** Parking area should be maintained in a state of good repair and must meet ADA requirements. Parking area should be clearly striped, and parking spaces designated as appropriate (handicap spaces, space numbers, etc.). Routine checks and maintenance should be performed to the parking structure or surface to ensure longevity and long-term use of the parking surface. In the event of standing water, protruding rebar or rods, large cracks, or uneven surfaces on the parking surface, Lessor may be called upon to correct such areas as needed.

FURNITURE AND EQUIPMENT

In the event that the Proposer is required to provide certain furniture or equipment as part of the Lease Agreement, those items will be clearly identified in the specifications listed herein. Otherwise, all furniture and equipment associated with the function and operation of the Agency will be the responsibility of the Agency, and the Proposer will not be responsible for providing those items as part of the Lease.

PROPOSER CERTIFICATION

NOTE: THIS LEASE PROPOSAL IS NOT A BID AND IS NOT SUBJECT TO THE BID LAWS OF THE STATE OF MISSISSIPPI.

As the owner/agent of the property offered for lease by this proposal, I understand that acceptance of my proposal is not contingent solely on the contact rent quoted herein. The costs for utilities, janitorial services, parking, remodeling, moving expense, telephone hook-up, etc. will all be considered in determining the TOTAL COST of the lease. Building condition, location, adaptability, and accessibility for the handicapped will all be factors in determining the most SUITABLE space for the agency requesting this proposal.

I understand that my building must meet the minimum requirements for accessibility as described by the Americans with Disabilities Act of 1990. If my building does not meet the minimum requirements for accessibility determined necessary by the agency, my proposal may be declared unacceptable.

As owner/agent of the property offered for lease by this proposal, I have examined the proper authority for the agency requesting this proposal to obtain all the specifications the agency has determined as necessary to qualify as SUITABLE space. I understand that the agency has possession of the manual which states the policy and procedures all state agencies must follow when procuring leased space and that the agency can provide me a copy of this manual at my request. I have discussed these procedures with a member of the agency and I understand these procedures for leasing property.

As owner/agent of the property offered for lease by this proposal, I understand that having delivered this proposal to the agency prior to the deadline the agency has imposed, my proposal of rent cannot be changed or amended in any manner, unless the agency, by written notice to me, has informed me that all proposals received were determined to be unacceptable, and that the agency is again requesting proposals for leases.

The space offered for lease by submittal of my proposal should be held available to the agency for a period not less than 60 days from the date listed herein as the deadline for receiving lease proposals. As owner/agent of the property offered for lease by this proposal, I understand that if I cannot hold this property available for this 60 day period the agency may consider my proposal as unacceptable.

Only those proposals submitted to the requesting agency by completion of pages 1-4 of this form will be considered. All proposals are to be submitted in a sealed envelope addressed to the agency requesting this proposal to the attention of the agency contact, and identified on the front of the envelope as "PROPOSAL FOR LEASE".

By evidence of my signature, I acknowledge that I have read the conditions stated above before submittal of my proposal and that I fully understand these conditions. I warrant that the owner(s) of this property will not be in violation of Sections 25-4-103 and 25-4-105 of the Mississippi Code by leasing this property to a state agency.

STATE AGENCY LEASING IN NON-STATE-OWNED SPACE
RPM-2A

CONDITIONS OF LEASE PROPOSAL FOR NEW CONSTRUCTION OR MAJOR ALTERATION

As builder/contractor/owner, I understand that the submittal of my proposal to lease space to a state agency in a building I intend to build/renovate/remodel will be considered by the agency in the same manner as lease proposals for existing buildings.

I understand that no agency of the state, or employee of the state, without the prior approval of the Public Procurement Review Board and the Office of General Services, has the authority to approve terms of a lease which involves remodeling of a building for use by an agency of the state. Also, the construction/renovating of a building for a state agency requires specific legislation to do so. Neither the Public Procurement Review Board nor the Office of General Services can provide the necessary legislation.

I understand that the agency, when considering my proposal for a lease in a building I intend to construct/remodel/renovate, will view this building as if completed and available for lease to parties other than the state agency receiving my proposal, whether the specifications used for the building were designed by the builder/contractor/owner or other party.

I understand that if the building I intend to construct/remodel/renovate is not completed per the specifications listed in my proposal by the date specified in the lease, the state agency that executed the lease will have the option to (1) reduce the rent proportionately by the number of days after the date specified in the lease that the agency occupies the building, or, (2) terminate the lease. Should the lease be terminated, neither the state agency that executed the lease, nor any other state agency will be liable to pay any of the rent or the cost incurred by the builder/contractor/owner of the building for construction/remodeling/renovation.

I understand that should my proposal be accepted by the agency that it was submitted to, and should my proposal be approved by the Public Procurement Review Board, neither the agency executing the lease, nor other agency of the State, will be obligated to occupy this space for any term beyond the dates specified in the lease.

I understand that neither the agency executing the lease, nor other agency of the State, will be obligated to pay the builder/contractor/owner of the building any amount other than the rent specified in the lease for the term of their occupancy of the building, whether or not this amount fully reimburses the builder/contractor/owner for the cost of the construction/remodeling/renovations of the building.

I understand that no condition of the lease can provide for any lump-sum payment for construction/remodeling/renovation or any payments in advance other than for rent, which shall be prorated in equal payments through the term of the lease.

I understand that should I elect not to sign this agreement, either the agency to which my proposal was submitted or the Division of Real Property Management may refuse to accept my proposal for lease.

By evidence of my signature, I acknowledge that I have read the conditions stated above before submittal of my proposal, and that I fully understand these conditions.

Submission of a Lease Proposal shall constitute representation by offeror that any proposed building including any/all proposed modifications does or will comply with all such items prior to occupancy by Lessee and shall be maintained in such compliance during the initial term and any/all subsequent renewals or extensions thereof. Applicable requirements include, but are not necessarily limited to the following:

- (1) **Building Code**
- (2) **Fire Code**
- (3) **Plumbing Code** (including provisions relating to minimum number of fixtures)
- (4) **Mechanical Code**
- (5) **Electrical Code**
- (6) **Mississippi Conveyance Safety Act**
- (7) **Energy Code**
- (8) **Zoning Regulations**
- (9) **Environmental Regulations**
- (10) **ADA** (as applicable to both occupants and visitors)
- (11) **Antiquities Law** – If proposed space involves any alteration to a National Landmark, Mississippi Landmark or potentially eligible property, obtaining of any required approvals as well as any mitigation must be included at no additional cost to the Lessee. The Lessor, at its sole cost and expense, shall retain the services of a preservation architect who meets or exceeds the Secretary of the Interior's Professional Qualifications Standards for Historic Architecture as amended and annotated and previously published in the Code of Federal Regulations, 36 CFR part 61 if proposal includes modifications to any such property.

SECTION 23. The Lessor or Lessors herein warrant and that this Lease is not made in violation of Section 25-4-105 *Certain actions, activities and business relationships prohibited or authorized; contracts in violation of section voidable; penalties* of the Mississippi Code of 1972, annotated. Should it be determined during the term of this Lease that it is in violation of Section 25-4-105, the Lessee may terminate this Lease with no less than a written thirty (30) day notice to Lessor with no penalty to the Lessee.

SECTION 24. The Lessee and Lessor may terminate this Lease, upon mutual agreement. The Lessee and Lessor shall agree in writing as to the said termination, specifying the part of the Lease terminated and when the termination becomes effective, with notification to the Real Property Management Division Director of the Department of Finance and Administration's Bureau of Building, Grounds and Real Property Management. This Section does not affect the Sections herein that pertain to default and/or failure to comply with Lease provisions and pertains only to cancellation and/or termination of Lease, upon mutual agreement of the parties.

SECTION 25. The Lessor agrees to accept payment via the State of Mississippi's electronic and remittance vehicle. The Lessee agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies", Section 31-7-301, *et seq.* of the Mississippi Code of 1972, Annotated, which generally provides for payment of undisputed amounts within forty-five (45) days of receipt of the invoice. Payments using the Statewide Accounting System shall be made and remittance information provided electronically as directed by the Lessee. These payments shall be deposited into the bank account of the Lessor's choice. The Lessee may, at its sole discretion, require the Lessor to submit invoices and supporting documentation electronically at any time during the initial term and any/all subsequent renewals or extensions. The Lessor understands and agrees that the Lessee is exempt from the payment of taxes. All payments shall be in United States currency.

SECTION 26. Provided the Lessor is given reasonable advance written notice and such inspection is made during normal business hours of the Lessor, the Contractor agrees that the Lessee or any of its duly authorized representatives at any time during the term of this Lease shall

have unimpeded, prompt access to and the right to audit and examine any pertinent books, documents, papers, and records of the Lessor related to the Lessor's charges and performance under this Lease. All records related to this Lease shall be kept by the Lessor for a period of three (3) years after final payment under this Lease and all pending matters are closed unless the Lessee authorizes their earlier disposition. However, if any litigation, claim, negotiation, audit or other action arising out of or related in any way to this Lease has been started before the expiration of the three (3) year period, the records shall be retained for one (1) year after all issues arising out of the action are finally resolved or until the end of the three (3) year period, whichever is later. The Lessor agrees to refund to the Lessee any overpayment disclosed by any such audit arising out of or related in any way to this contract.

SECTION 27. The Lease shall be governed by and construed in accordance with the laws of the State of Mississippi, excluding its conflicts of laws, provisions, and any litigation with respect thereto shall be brought in the courts of said state. The Lessor shall comply with applicable federal, state, and local laws and regulations.

SECTION 28. The Lessor shall not assign, sub-contract or otherwise in whole or in part, its right or obligations under this Lease without prior written consent of the Lessee and the Public Procurement Review Board. Any attempted assignment or transfer without said consent shall be void and of no effect. No such approval by Lessee of any sub-contract shall be deemed in any way to provide for the incurrence of any obligation of Lessee in addition to the total fixed price agreed upon in this Lease. Sub-contracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the Lessee may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.

SECTION 29. The Lessor understands that the Lessee is an equal opportunity employer and therefore maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, genetic information, or any other consideration made unlawful by federal, state, or local laws. All such discrimination is unlawful and the Lessor agrees during the initial term and any/all subsequent renewals or extensions that the Lessor will strictly adhere to this policy in its employment practices and provision of services. The Lessor shall comply with, and all activities under this Lease shall be subject to, all applicable federal, state, and local laws and regulations, as now existing and as may be amended or modified.

SECTION 30. This Lease, including any accompanying exhibits, attachments, and appendices, is subject to the "Mississippi Public Records Act of 1983," codified as Section 25-61-1 et seq., Mississippi Code Annotated and exceptions found in Section 79-23-1 of the Mississippi Code Annotated (1972, as amended). In addition, this Lease is subject to provisions of the Mississippi Accountability and Transparency Act of 2008 (MATA), codified as Section 27-104-151 of the Mississippi Code Annotated (1972, as amended). Unless exempted from disclosure due to a court-issued protective order, this Lease is required to be posted to the Department of Finance and Administration's independent agency contract website for public access. Prior to posting the Lease to the website, any information identified by the Lessor as trade secrets, or other proprietary information including confidential vendor information, or any other information which is required confidential by state or federal law or outside the applicable freedom of information statutes will be redacted. A fully executed copy of this agreement shall be posted to the State of Mississippi's accountability website at: <http://www.transparency.mississippi.gov>.

SECTION 31. If applicable, the Lessor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act of 2008, Section 71-11-1, et seq. of the Mississippi Code of 1972, Annotated, and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. The Lessor agrees to maintain records of such compliance and, upon request of the State and approval of the Social Security Administration or Department of Homeland Security, where required, to provide a copy of each such verification to the State. The Lessor further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws of these warranties, the breach of which may subject the Lessor to the following: (1) termination of this Lease and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (2) the loss of any license, permit, certification or other document granted to the Lessor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (3) both. In the event of such cancellation/termination, the Lessor would also be liable for any additional costs incurred by the State due to the contract cancellation or loss of license or permit.

SECTION 32. This Lease may be modified, altered or changed only by written agreement of both parties subject to approval by the Public Procurement Review Board. The parties agree to renegotiate the Lease if federal, state and/or any applicable laws or regulations make changes in this Lease necessary.

SECTION 33. The Lease shall be governed by the applicable provisions of the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management *Leasing Manual* as adopted by the Public Procurement Review Board, a copy of which is available at 501 North West St., Suite 1401, Jackson, MS 39201 for inspection or downloadable at www.dfa.ms.gov.

SECTION 34. The Lessor represents that it has not retained a person to solicit or secure a Lease upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except as disclosed in the Lessor's proposal.

SECTION 35. The Lessor represents that it has not violated, is not violating, and promises that it will not violate the prohibition against gratuities as set forth in Section 700.5 *Gratuities* of the Department of Finance and Administration, Bureau of Building, Grounds and Real Property Management *Leasing Manual*.
