INSTRUCTIONAL GOAL
To instill professional attitudes in supervisors and soon to be managers, as well as providing them with the skills, techniques, and basic concepts of modern supervision principles. An understanding of these concepts is fundamental for supervisors to be successful as mentors, trainers, and as leaders of their agencies. A properly trained professional supervisor is one of the best weapons any law enforcement agency can have in their arsenal, as they will pass on their training and professional attitude to the younger officers. In today’s litigious

society, you can help to avoid unnecessary litigation due to “failure to train” or “improper training” of supervisors and officers alike, by affording your officers the proper tools and skills needed to function in modern law enforcement. Global Police Solutions, LLC is committed to our clients and believes in “Instilling professionalism through training”.

Global Police Solutions, LLC is an approved advanced law enforcement training provider throughout the United States and Abroad.
