

Pistol Optics Fundamentals & Proficiency

November 5-6, 2025

Mississippi Law Enforcement Officers
Training Academy

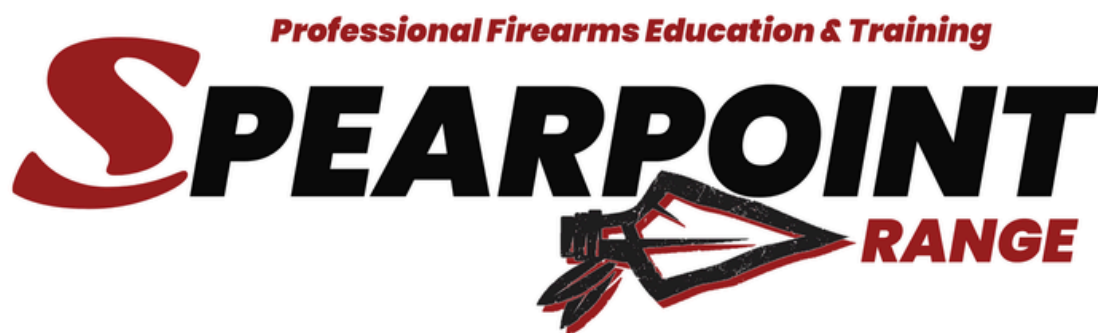

Pearl, MS

LE / Mil only

\$300.00

Pistol Optics Fundamentals & Proficiency is a course designed to equip students with the core skills necessary to effectively employ the slide mounted optic system. During this course, students will develop the skills needed to reach a higher level of shooting proficiency as they negotiate the learning curve associated with the pistol optic platform.
