**CANNON COCHRAN TO PROVIDE PROFESSIONAL CLAIMS AND ADMINISTRATIVE SERVICES FOR
THE MS DEPARTMENT OF PUBLIC SAFETY**

CONTRACT NUMBER 8200056468

As identified in Mississippi Code Annotated § 31-7-423(2), each agency awarding, renewing, or amending any professional or personal service contracts shall be reported online pursuant to the Mississippi Accountability and Transparency Act of 2008, Executive Order 1362, Governor Phil Bryant: Promoting Transparency in Public Contracting, July 31, 2015 and an analysis as to why the contract was awarded, renewed, or amended.

The Mississippi Department of Public Safety (MDPS) issued an Invitation for Bids (IFB) to secure a vendor to provide Professional Claims and Administrative Services for the MS Department of Public Safety. The Mississippi Department of Public Safety MDPS reviewed the bids submitted and it was determined that the bidder was responsive to the Invitation for Bid (IFB) and met the minimum qualifications set forth in the IFB. Based on the review, and having submitted the lowest, responsive, responsible bid, MDPS recommends the contract to be awarded Cannon Cochran Management Services Inc. The MDPS amends contract 8200056468 to increase target value by \$1,080,000.00, in doing so, increasing contract total value to \$5,400,000.00.
