NOTICE OF CONTRACT AWARD
AMENDMENT OF PRICE

National Medical Services Inc. to provide Customized Testing and Reporting Services

CONTRACT NUMBER 8200078540

As identified in Mississippi Code Annotated § 31-7-423(2), each agency awarding, renewing, or amending any professional or personal service contracts shall be reported online pursuant to the Mississippi Accountability and Transparency Act of 2008, Executive Order 1362, Governor Phil Bryant: Promoting Transparency in Public Contracting, July 31, 2015 and an analysis as to why the contract was awarded, renewed, or amended.

The Mississippi Department of Public Safety (MDPS) issued an Invitation for Bids (IFB) to secure a vendor to administer Customized Testing and Reporting Services. The Mississippi Department of Public Safety MDPS reviewed the bid submitted and it was determined that the bid was responsive to the Invitation for Bid (IFB) and met the minimum qualifications set forth in the IFB. Based on the review, and having submitted the lowest, responsive, responsible bid, MDPS recommends the contract to be awarded National Medical Services Inc. The MDPS amends contract 8200078540 to increase target value by \$1,250,000.00, in doing so, increasing contract total value to \$1,682,920.00.
