

Police Radar/Lidar Instructor Course

July 17 – 18, 2025

Sponsored By: Mississippi Law Enforcement
Officers' Training Academy

Location: 3791 Highway 468 West
Pearl, Mississippi, 39208

SpeedSmartz and Mississippi Law Enforcement Officers' Training Academy is offering a Radar Instructor's Course that is designed to teach participants to become proficient in the use of Traffic Radar/Lidar and enable them to instruct the Basic Radar/Lidar Course to members of their department and others. This course will take place in West Pearl Mississippi at the Mississippi Law Enforcement Officers' Training Academy.

This Radar Instructor Course is based on "The Basic Training Program in Radar Speed Measurement" developed by the National Highway Traffic Safety Administration. The instructor is a Sergeant with the Sheriff's Office in Alabama who has instructed Radar/Lidar Courses for over 10 years.

Save your department Hundreds of dollars and man-hours by having your own Radar/Lidar Instructor to manage your traffic program and teach the basic course to your officers. During the training students will be exposed to hands-on training utilizing new speed measurement devices directly from the factory. Representatives of Radar/Lidar manufacturers will be present to answer your questions.

Each Student will be trained in the following fields:

- **Stationary Radar**
- **Basic Moving Radar**
- **Lidar Operations and Use**
- **Same Direction Moving Radar (Manual and ASD™) Vehicle Mode**
- **Methods of Instruction**
- **Technical Aspects of Lidar/Radar**
- **Hands-on Visual Speed estimates**
- **Courtroom procedures and testifying**
- **Case Law**

Fastest

Each Student will receive data containing the "Basic Radar/Lidar Course" complete with all materials.

Cost: \$650.00 per student, \$500 per additional student per department, **nonrefundable after class start.**

Length: Two days (July 17 – 18, 2025)

Prerequisites: Must be trained in Basic Radar Course for your State if applicable.
